Corner Post  
Free

Motorised  
Movement

System Glass  
Balustrade

Solar Shading  
in System

Additional Drainage  
Chamber

Home  
Automation

Wheel Chair  
Access

In Track  
**INSECT SCREEN**

### LATENT INSIDE

Our clever design enables us to create a clean look hiding all mechanisms towards the inside.

### LATENT INSIDE & OUTSIDE

Concealed on either sides, windows that offer a complete seamless look of minimalist sophistication.

### FUSION

Specializing in custom installation of door and windows that are durable and offer incredible views.

### RAILING

If paired with a set of railing can make your windows much more safe and functional.

## PRODUCT RANGE

In today's modern world where trends and tastes are on a constant carousel of change, we like to be equipped with solutions and matches to every style of architecture and space design. While varying structures and spaces require different types of high quality doors and windows we believe we are more than capable of providing not just one but a plethora of options for you to choose from.

Experience and innovation walk hand in hand when it comes to being able to design, manufacture and present multitudes of aluminium systems with various finishes and customisation options available. With a promise of no compromise in quality, functionality and design we present to you our range of products.

## LIMITATIONS

We believe in serving end to end solutions to all your windows and doors concerns.

GLASS THICKNESS	MAX SASH	MAX SQ.MTR
Min <b>18mm</b>	Height <b>3600</b>	Sliding <b>4</b>
Max <b>20mm</b>	Width <b>2400</b>	Fix <b>6</b>

## PORTER POSSIBILITY

Aluminium has proven to be prevalent over the years. Robust aluminium possesses properties that have helped revolutionize many technological sectors.

Air	Uw	Sound insulation	Resistance to rain	Resistance to wind	Resistance to buglery
Class 4 (EN 12207/EN 1026*)	Up to 4.80 W/m <sup>2</sup> K	Up to 30 db	Class 9A (EN 12208/EN 1027*)	Class C3 (EN 12210/EN 12211*)	RC-3

## LOCKING VARIANTS

Locks are known to provide security and functionality to our doors and windows. Specially in case of Aluminium doors and windows.

Electo Drop Bolt Lock | Up Down Lock | Key Lock (cylinder) | Self Lock | 180 Lock

## TYOLOGIES

Our products are designed by our internal research and development team and backed by expert service and supports.
